

# Ohio After 3PM: Kids on the Move

Afterschool programs play an important role in improving the health and wellness of our nation’s students. In Ohio, 284,519 children participate in an afterschool program—and 846,248 more children would be enrolled in a program if one were available to them. Ohio After 3PM: Kids on the Move, highlights some of the ways afterschool programs support families and students across the state—from offering kids healthy foods and opportunities to be physically active to helping parents keep their jobs.

of parents agree that afterschool programs help parents keep their jobs.

### ABOUT THE SURVEY

The percentages and projected numbers of children and families in America After 3PM are based on survey responses from parents. The Afterschool Alliance contracted with Shugoll Research to collect the data. Nationally, 30,720 households were screened, and 13,709 households completed in-depth interviews via an online survey using a blend of national consumer panels. At least 200 households completed interviews in every state and the District of Columbia, between Feb. 28 and April 17, 2014. In Ohio, 364 households and 2,194 children were screened for this study. According to the Department of Education, National Center for Education Statistics data for 2011-2012, the total school enrollment in Ohio is 1,884,231, which is the foundation for all statewide projections in Ohio After 3PM.

The Afterschool Alliance is a nonprofit public awareness and advocacy organization working to ensure that all children and youth have access to quality afterschool programs.
