# LIGHTS ON M&T BANK STADIUM

OCTOBER 25, 2018

On October 25th, the M&T Bank stadium lights will be changed from purple to white, making a shining representation of both the students who are benefiting from afterschool enrichment every day and the students who are waiting to get into quality programs. With the sky lit up, it will be an eye-catching reminder of how much we need our afterschool programs!

## SPECIAL THANKS TO:
