Lights On Afterschool Save the Date – Oct. 23, 2014!

Join us at the Hill Prep Session Weds. at 5:00 p.m. for your Member-specific bios and packets to leave with Congressional offices.

Welcome to the 13th annual *Afterschool for All Challenge!*

Thank you for helping to educate Congress about the importance of afterschool and summer programs, and for joining us in recognizing our nation's most dedicated champions of afterschool.

Your meetings on Capitol Hill are a terrific and invaluable opportunity to share the impact of afterschool and summer programs in your community, and share some of the knowledge gained this week, and across the last decade, about what works for our kids, families and communities.

In this folder and on the conference website are materials to support you in your Congressional meetings on Thursday, and to help you take the *Afterschool for All Challenge* home. Please share our "Take Action at Home" materials with other afterschool supporters in your community.

Thank you for all that you do to support afterschool programs and the children, families and communities who rely on them.

Sincerely,

Jodi Grant
Executive Director
