Afterschool Alliance Names Faribault Afterschool Provider One of Just 18 'Afterschool Ambassadors' from Across Nation

Lisa Wetzel Will Work in Minnesota and Nationally to Expand Afterschool

Washington, DC – The Afterschool Alliance today announced the selection of Lisa Wetzel, Program Coordinator of Kids World School Age Child Care – Faribault Public Schools to serve as a 2010-2011 Afterschool Ambassador. She is one of just 18 local leaders from 16 states selected for the honor this year. Each Ambassador will continue directing or supporting a local afterschool program while also serving a one-year Afterschool Ambassador term organizing public events, communicating with policy makers, and building support for afterschool programs.

“Quality afterschool programs keep kids safe, inspire them to learn, and help working families,” said Afterschool Alliance Executive Director Jodi Grant. “Americans strongly support afterschool programs, but across the nation many of the programs that working families rely on are being threatened because of budget cuts or efforts to divert afterschool funds to other programs. We need to spread the word about the urgent need to make afterschool programs available to all children who need them. Lisa will bring great energy and talent to that challenge in her role as an Afterschool Ambassador. I look forward to working with her to build even stronger support for afterschool among parents, business and community leaders, lawmakers and others. We are proud to have Lisa on our team.”

“I’m thrilled to have this wonderful opportunity to help secure the future of afterschool programs for kids and families in our community, and across the state and nation,” said Wetzel. “Afterschool programs are critical to student success and the economic security of working families. I look forward to helping expand support for them.”

Kids World School Age Child Care serves roughly 400 youth in kindergarten through fifth grade annually in Faribault. The program collaborates with other youth groups in the community to provide more services to more children and working families.

Each Ambassador will organize a major event for *Lights On Afterschool*, the Afterschool Alliance’s 11th annual national rally for afterschool, to be held on October 21 this year. Last year, a million people participated in some 7,500 *Lights On Afterschool* events across the United States and at U.S. military bases worldwide. Afterschool programs are under intense pressure this year, with the Senate preparing to consider legislation that would divert some of the already limited afterschool funds to other programs. At *Lights On Afterschool* rallies this year, participants will sign a parents’ petition calling on Congress not to divert or deny afterschool funding.
