### **Afterschool Alliance Names Faribault Afterschool Provider One of Just 20 'Afterschool Ambassadors' from Across Nation**

#### ***Lisa Wetzel Will Work in Minnesota and Nationally to Expand Afterschool***

Washington, DC – The Afterschool Alliance today announced that Lisa Wetzel, Program Coordinator of Kid's World School Age Childcare has been selected to serve as a 2011-2012 Afterschool Ambassador. She is one of just 20 local leaders from 17 states chosen for the honor this year and the only Ambassador who will serve a second term; Wetzel was also an Afterschool Ambassador in 2010-2011. Each Ambassador will continue directing or supporting a local afterschool program while also serving a one-year Afterschool Ambassador term organizing public events, communicating with policy makers, and building support for afterschool programs.

“Quality afterschool programs are invaluable to students, families and communities,” said Afterschool Alliance Executive Director Jodi Grant. “These programs keep kids safe, help working families and inspire students to learn. But in Washington, D.C. and all across the country, the afterschool programs that families rely on are being threatened by budget cuts and efforts to divert afterschool funds to other programs. We need to spread the word about the urgent need to make opportunities to attend afterschool programs available to all children who need them. Lisa will bring great skill and energy to that work in her role as an Afterschool Ambassador. I look forward to working with her for a second year to build even stronger support for afterschool programs among parents, business and community leaders, lawmakers and others.”

“I am delighted to have another year to help increase support for afterschool programs, which give students opportunities to explore their interests and give parents the security that comes with knowing that their children are safe and supervised, with engaging, educational activities after the school day ends,” said Wetzel. “Afterschool programs are critical to students' success in school, to families trying to survive in this recession, and to America's workforce in the future. We need to strengthen the afterschool programs we have and ensure that there is a program for every child who needs one.”

Kid's World is a Faribault Community Education program as a branch of Faribault Public Schools. It serves more than 400 children each year at the three Faribault Elementary Schools before school, after school, early dismissals and has a full time summer program. Wetzel also

serves on the MN School Age Care Alliance/MN Association for the Education of Young Children Board of Directors. Wetzel has been the coordinator of Kid's World for eight years.

Each Ambassador will organize a major event for *Lights On Afterschool*, the Afterschool Alliance's 12<sup>th</sup> annual national rally for afterschool, to be held on October 20 this year. Last year, a million people participated in some 7,500 *Lights On Afterschool* events across the United States and at U.S. military bases worldwide. Afterschool programs are under intense pressure this year, with the Senate considering legislation that would divert some of the already limited afterschool funds to other programs.
