Upland Unified School District	Upland	Rebecca Maynard	2004	\$128,250	Upland Junior High School is a Title I middle school for approximately 1,048 7th and 8th grade students in Upland Unified School District.
Vallejo City Unified School District	Vallejo	Richard Damelio	2004	\$494,723	The VCUSD is partnering with the Vallejo Community based organizations to work on other sustainable sources of income to support afterschool programs.
Visalia YMCA	Woodlake	Laura Armstrong	2004	\$294,870	YMCA afterschool helps students with their homework and provides an enriching and safe environment. Our biggest barrier is getting middle school students to attend and have a good attitude about it.
Visalia YMCA	Woodlake	Laura Armstrong	2004	\$142,500	YMCA afterschool helps students with their homework and provides an enriching and safe environment. It is always a challenge as an outside group to work with the schools.
Watts Labor Community Action Committee	Los Angeles	Tina Watkins	2004	\$170,100	This program provides after-school tutoring, art enrichment, theatre, and mentoring to students. Outreach has been a challenge at Markham Middle school.
West Contra Costa Unified School District	El Cerrito	Megan McTiernan	2004	\$152,025	We work to support the academic intervention activities at the school sites. We also provide the students with arts, enrichment and recreational activities. We customize our programs to meet the goals of the elementary schools.

21st Century Community Learning Grants in California

West Contra Costa Unified School District	El Cerrito	Megan McTiernan	2004	\$422,650	We work to support the academic intervention activities at the school sites. We also provide the students with arts, enrichment and recreational activities. We customize our programs to meet the goals of the eight elementary schools.
West County Community Services	Guerneville	Nora Lomax	2004	\$374,017	Project intends to provide after school activities to four rural elementary schools along the Russian River in Sonoma County. 337 students will be served in a new Voices of the River program.
Western Placer Unified School District	Lincoln	Amy Riga	2004	\$64,000	This project allows students a safe, healthy, and enjoyable environment for students after school. Our program promotes homework help, enrichment activities, and recreation.
Whittier City Elementary	Whittier	Becky Shultz	2003	\$675,000	The Reach For The Stars Program serves over 1,000 Whittier City School District students in grades K-5 at nine elementary school sites from school dismissal until 6 pm daily.
Winton Elementary School District	Winton	Linda Thompson	2004	\$250,000	Our program serves a total of 300 children at 3 school sites. Our focus is academic enrichment. One major issue is lack of transportation for students.
Woodcraft Rangers	Los Angeles	Cathie Mostovoy	2004	\$462,180	The project has been designed to address the need for after-school services identified by community members, community and city organizations, and prioritized by Garvey District and its constituents. The program offers a variety of activities for children.
Woodland Joint Unified	Woodland	Mary Garcia	2003	\$814,560	The Woodland 21st CCLC program provides after school academic and enrichment/recreation services at 8 school sites in Woodland, with an emphasis on serving socioeconomically disadvantaged students and students who need additional academic support.
YDP of Greater Los Angeles	Los Angeles	Jayne Okazaki	2004	\$453,642	YDP provides educational enrichment programs that focus on academic achievement and enrichment activities that foster character building and high self-esteem. Services include morning care, afterschool care, off-track, and Saturday programs.
YMCA of the East Bay	Richmond	Don Lau	2004	\$149,600	The Richmond Education, Arts, and Literacy (REAL.) Program will serve two schools, Peres Elementary and Verde Elementary, in the West Contra Costa Unified School District.
Young Men's Christian Association Of Anaheim	Anaheim	Debbie Jauch	2003	\$967,007	Anaheim Achieves is a collaborative-driven after school program established in 1999. This award-winning program serves 3800 elementary students daily at 31 school sites.
Youth Policy Institute	Los Angeles	Whitney Kasseran	2004	\$351,908	YPI's 21st Century Kids is providing daily afterschool programs for two large charter elementary schools. Both schools are majority-Latino, with 90%+ free/reduced, and with year-round calendars.
Yuba City Unified School District	Yuba City	Bill Zeller	2004	\$1,344,045	This project serves each district elementary school and middle school. Most of these schools only operate an after school academic support and enrichment program while two of the sites also provide before school services.
